Backpacker SERIES

Backpacker® Interior Lifts from Pride® Lifts and Ramps make it easier than ever to take your mobility product on the road. Backpacker Interior Lifts are the ultimate solution to lifting your powered mobility device into your vehicle. Engineered specifically to be a perfect fit for a wide variety of popular vehicles including SUVs, crossover vehicles and minivans. Like all Pride Lifts, Backpacker Interior Lifts feature all-steel construction and a protective finish. Along with an industrial-rated 12 volt motor and battery pack, the Backpacker Interior Lifts are equipped with easy-to-use controls to combine rugged durability with safe, simple and reliable operation.

- **350 lb. lifting capacity**
- **Removable front drive panel for easier serviceability**
- **Adjustable wheel chocks on the platform surface**
- **Angled, low-profile platform**
- **Easy-to-use two-button hand control**
- **Manual override**
- **3-year transferable warranty**
